Liberty Mutual stopped paying for ALE one year after Hurricane Laura. They didn't even extend through October despite me telling them Hurricane Delta came. However, in October 2021, Charlotte L'Juan Ford told me that it would be three months until I was back in my house. I had been in the Hometowne Studios in Sulphur and schedule a move to the Holiday Inn & Suites on Lake St. in Lake Charles since I thought I was only going to be there for three months and figured that I would have more people willing to help me out to go see my house as I would bein town and closer to it, but then the broken heart syndrome and being taken advantage of by Dr. Kevin R. Young happened.

I know that I'll need to get the folios from hotels if at all possible, but for right now, here are statements from my bank account.

If my math is correct, this totals $80434.72 . . . I know folios will be more accurate if I am able to get them. I know the WoodSpring is HORRIBLE at keeping them.

The Candlewood in Sulphur was literally the only hotel with any vacancies when I got out of the hospital and was the only place that I could go if I didn't want to be kicked out on the streets AND I was suffering with the pacemaker leaking electricity and not able to drive (as is the case still), so I had to be there and I got the pacemaker removed while there, but was still feeling awful, even when I switched to the Hometowne Studios.
